TUITION AND FEES

The current annual tuition is **\$8,500 per year**, paid over 10-months. Payments are automatically deducted from your designated banking institution on the 1st of each month. The application fee is \$25. The annual (non-refundable and non-transferrable) enrollment fee is **\$550 per student**. A multiple child discount will apply for each additional child.

A **\$30 fee** will be charged for failed tuition payments. Please refer to your contract for more details.

QEI may immediately terminate the enrollment contract without giving any notice, if the parent(s) or guardian(s) fails to make payments when due. A student will not be able to attend school under these circumstances, however, will be readmitted upon receipt of past due balance.

We respect a parent's right to remove his/her children from QEI. However, **you are obligated to pay the agreed upon tuition amount**, regardless of your child's student status with QEI. In other words, should you withdraw your student from QEI, **the remainder of the tuition for the year is due at the time of withdrawal. A \$250 fee will be charged, and student records withheld for breach of contract.**
